Dear Band Alumni,

Happy New Year and greetings from Warrensburg! This has been yet another year of continued successes and tremendous promise for the future of the bands and Music Department at the University of Central Missouri. You know as well as anyone that your alma mater is what it is because of great students and a faculty that looks out for their students' interests and successes. Simply put, Central is a THE place to be!

One of our most important responsibilities is connecting with our tremendous alumni. The Central Missouri Band family is an incredible one and it is important that we continue to remain linked. Our current students also need to know of this program's rich history and tradition, and we hope that remaining connected to the program that you helped build can be of great fulfillment to you as well.

We continue to discuss how to make the UCM Alumni Band activities the most inclusive and positive, and continue to formulate exciting new ideas to share with you. Our immediate focus is on the 2010 Alumni Concert Band. This year's festivities will be held on Saturday, February 13. With the participation in this annual event increasing each year we are looking forward to another great day!!

Included is a tentative schedule and response form. Please complete and return the form even if your participation is not in the cards this year. We have also been working hard to bring our mailing lists as up-to-date as possible, so have also included space for you to indicate contact information for those that you think may not be receiving our correspondence. There is also a place, should you be interested, for you to specify a personal contribution toward the growth and success of the UCM Alumni Band.

In the mean time, if there is anything that the bands can do for you, please don't hesitate to be in touch. We hope you will be able to join us in February and look forward to spending time with you.

Warmest regards,

Dr. Scott Lubaroff, Director of Bands, slubaroff@ucmo.edu
